### Handicaps

All golfers must hold a valid golf handicap or proficiency card. If neither of these are available, then the golfer must indicate their average score for an 18-hole round of golf upon booking, this will allow BLR to place players on the golf course based on their skill level. This will help to ensure that a reasonable pace of play will be maintained on the course. This will be more closely monitored on weekends and busy public holiday periods. Players must adhere to Course Marshall instructions at all times.

**9-hole Forest Course will be closed for maintenance from 1 March to 30 April 2017.**
